

LEADERCON

Dear PC Global family,

Thank you. If you were with us at the 50th, you know what a special time it was. We honored faithful men and women who gave their lives to this movement. We gave thanks for fifty years of church multiplication. We remembered what God has done.

Now we are looking forward. The 50th was not the finish line. It was a doorway, and God is walking us through it into a new day.

I am excited to tell you that **LeaderCON 2027** is coming **January 20 to 22** at **Living Hope Family Church in Tucson, Arizona**. We are going back to Tucson! I am looking forward to the January weather, the time with our PC family, and the fresh vision to start the year.

The theme this year is TRUTH.

We are going to walk into 2027 and face the truth. We will face the truth about what is happening in America and in our world. We will face the truth about the spiritual battle our nation is in right now. I believe the future of America is being fought over in the spiritual realm. And I believe the Church of Jesus Christ is the answer.

Here is the truth I believe God wants us to hear. He is giving the Church a window of opportunity. The generations alive right now have a chance to take back what the enemy has been claiming. That window will not stay open forever.

When I think about this moment, I think about Joshua. He was old, and God spoke to him. Joshua 13:1 says, *“Joshua, you have grown old, but there is still much land for you to take”* (NCV). God did not say, “Well done, Joshua, now sit down.” He said there is still land to take.

That is where we are. For fifty years, most of our churches in America have been in California, with a few in other states. God has been faithful. But there is still much land. Now it is time to lift our eyes and look at all of America and say, “We can take this land.”

And we have what it takes. We have four generations of churches and ministers in PC Global. We have the workers. We have the senders. We have the intercessors. We are not starting from nothing. We are an army that has been training for a long time.

JANUARY 20-22, 2027

LIVING HOPE
TUCSON, AZ.

LEADERCON IS OUR ANNUAL GATHERING FOR PASTORS, MINISTRY LEADERS, CHURCH PLANTERS, AND EMERGING LEADERS. JOIN US FOR POWERFUL PREACHING, PRACTICAL LEADERSHIP, AUTHENTIC FELLOWSHIP, AND FRESH VISION TO STRENGTHEN YOU FOR THE SEASON AHEAD.

Win Build Send

**LEAD WELL.
BUILD WHAT LASTS.**

The apostle Paul understood this kind of moment. He wrote in 1 Corinthians 16:9, *“for a wide door for effective work has opened to me, and there are many adversaries”* (ESV). A great door and many adversaries often come together. Great doors of opportunity are open before us across America and around the world. At **LeaderCON**, we are going to talk honestly about the adversaries too. We will face the truth, then move forward together.

Our answer is not complicated. We come together as God’s army. We declare the truth. We take our place in the spirit realm, and we take the land through church planting and multiplication across this nation. We Win, Build, Send.

So here is my invitation. Pastors, please bring your leaders. Invest in your team. Invite those young emerging leaders sitting in your church or young adult ministries. There is something powerful about receiving together and then going home with the same vision. Church planters, ministry leaders, and the next generation ready to step out in faith: this gathering is for you.

Come ready for strong preaching, practical tools, and real connection. There is more ahead. More lives changed. More disciples to be raised and more churches to be planted.

Registration is open now. You can sign up your group today at www.pcglobalnetwork.com.

I can’t wait to see you in Tucson. Let’s step into what God has next, together.

Until He returns,

Pastor Larry
